Subject: SUBMITTAL: Wilcox Oil Company Superfund Site RI/FS - Initial Work Plan and Cost Estimate (Revision 00)

Mike,

Attached is the Work Plan and Cost Estimate (Revision 00) for the Wilcox Oil Company Superfund Site RI/FS. I've also attached the EPA SOW and EPA's responses to our Request for Clarification.

Work Plan and Cost Estimate (Revision 00) is based on the initial Statement of Work, dated 13 July 2015, which was issued to EA by the EPA Contracting Officer (CO) on 15 July 2015; the EPA responses to the Request for Clarification received on 28 July 2015; the scoping meeting conducted on 12 August 2015; and the preliminary site visit conducted on 19–20 August 2015. EA estimates \$5,187,654 in total funding will be required to perform the Task Order as outlined in the EPA SOW Revision 00.

EA has also attached the COI response letter that was submitted on 16 June 2015.

Sincerely,

Tim
